About Us

Greg and David have been working in the film and theatre sector for over 10 years, now challenged by the 'New Normal' we have adapted our skills into a service we believe can benefit everyone.

Greg & David

We as photographers and film makers, have an idea that can help businesses, to get back to work during this time of social distancing. We have been busy building a live streaming service for any wedding where your guests are unable to attend due to social distancing. Any behind-the-doors event can be seen beautifully on a stream with our top of the range broadcast equipment in HD.

- ▶ Blackmagic Cinema Cameras
- ▶ Rode Wireless Microphones
- ▶ Cinema Prime Lenses
- ▶ Studio LED Lighting
- ▶ Multi Camera Feed and External Media

If you are looking for a service where you can see your wedding on camera, delivering a stream more polished and streamlined than a traditional Skype or Zoom chat, then we are here to help.
