

# Livestream Directly To Your Digital Guests With A High Quality Presentation Whilst Maintaining Social Distancing Advisories

## Connect via Web / Zoom / Skype

The 'New Normal' will be challenging, but we provide a way for you to stay connected!

Broadcast your event with cinema grade cameras, microphones and lights, to anywhere in the world in Full HD on our dedicated 4g network!

For your security we will provide you with a password protected link to send to your online guests ahead of your talk / brief / pitch.

- ▶ Two Cameras (Close up and Wide)
- ▶ Two Wireless Microphones
- ▶ Lighting LED
- ▶ Feed from your PowerPoint presentation.

Costs                    £800 Full stream, one camera operator and one director

Extras                    £100 - Recording of stream on USB stick

# About Us

Greg and David have been working in the film and theatre sector for over 10 years, now challenged by the 'New Normal' we have adapted our skills into a service we believe can benefit everyone.

## Greg & David

We as photographers and film makers, have an idea that can help businesses, to get back to work during this time of social distancing. We have been busy building a live streaming service for any event where your guests are unable to attend due to social distancing. Any behind-the-doors event can be seen beautifully on a stream with our top of the range broadcast equipment in full HD.

- ▶ Blackmagic Cinema Cameras
- ▶ Rode Wireless Microphones
- ▶ Cinema Prime Lenses
- ▶ Studio LED Lighting
- ▶ Multi Camera Feed and External Media

If you are looking for a service where you can see yourselves on camera, delivering a stream more polished and streamlined than a traditional Skype or Zoom chat, then we are here to help.
